## QuestaWeb Named a Top 100 Logistics IT Provider for 2016

*Inbound Logistics Recognizes QuestaWeb for 12<sup>th</sup> Consecutive Year*

**Clark, N.J. – April 11, 2016** -- QuestaWeb, Inc. ([www.questaweb.com](http://www.questaweb.com)), a premier provider of web-based, integrated Global Trade Management (GTM) solutions, proudly announces it has been selected as a Top 100 Logistics IT Provider by *Inbound Logistics* for the 12<sup>th</sup> consecutive year. QuestaWeb competed with more than 400 companies for inclusion on the prestigious 2016 list.

*Inbound Logistics* first published its list of the Top 100 Logistics IT Providers in 1995. Today's methodology for inclusion involves researching capabilities based on submitted questionnaires and other sources, and then selecting the 100 technology providers that offer solutions designed to meet business logistics managers' supply chain challenges.

Felecia Stratton, editor, *Inbound Logistics* said, "QuestaWeb is a leading logistics IT provider that has, for the past 12 years, helped our readers address their IT challenges and conduct compliant global trade. QuestaWeb's ability to deliver innovative solutions that embrace industry best practices and the latest technology is a key reason for its consistent presence on *Inbound Logistics*' Top 100 Logistics IT Provider lists."

"It is truly an honor for QuestaWeb to be included on *Inbound Logistics* 2016 Top 100 Logistics' IT Provider list," said Leon Turetsky, CEO, QuestaWeb, Inc. "With the increasing focus placed on trade compliance, QuestaWeb's GTM solutions are vital tools that today's organizations require to navigate the complex regulations governing importing, exporting, foreign trade zone operation and management, brokerage and freight forwarding. Receiving recognition from *Inbound Logistics* speaks to the quality of our solutions and serves as an important resource for companies seeking the best IT solutions available in the marketplace."

The complete list of honorees will appear in the April issue of *Inbound Logistics*, while an online version of the list will be available later this month at [www.inboundlogistics.com](http://www.inboundlogistics.com).

**About *Inbound Logistics***

Since its inception in 1981, *Inbound Logistics*' educational mission is to illustrate the benefits of demand-driven logistics practices, give companies the knowledge to help them match the inbound flow of materials to their demand and align their business process to support that shift. *Inbound Logistics* offers real-world examples and decision support to guide businesses to efficiently manage logistics, reduce and speed inventory, and offset rising transport costs, supporting business scalability across their value chain. More information about demand-driven logistics practices is available at [www.inboundlogistics.com](http://www.inboundlogistics.com).

**About *QuestaWeb***

QuestaWeb is a premier provider of integrated, web-based global trade management software solutions. The firm's business model unifies import, export, logistics, compliance and financial processes including U.S. Customs clearance, landed costs, Harmonized Tariff Schedule classifications, export licensing, denied party screening, quota management, product catalog, tracking, event management and international document repository. The centralized global database maintains up-to-date compliance content and supports multiple languages, currencies and time zones. QuestaWeb was one of the first companies certified by U.S. Customs for ABI electronic connectivity initiatives and the first ACE-certified vendor. The company's Global Trade Management System proactively manages export and import processes for importers, exporters, FTZ, brokers and forwarders. It accelerates the flow of goods across the global supply chain, reduces inventory and operational costs and ensures compliance with ever-changing cross-border regulations.
