## QuestaWeb to Exhibit at Booth #39 at the 45<sup>th</sup> NCBFAA Annual Conference

### WHAT:

The National Customer Brokers & Forwarders Association of America's (NCBFAA) Annual Conference brings together more than 600 of the international trade industry's top representatives from around the United States. Now in its 45<sup>th</sup> year, the four-day conference allows the nation's leading customs brokers, freight forwarders, NVOCCs, OTIs and service providers to connect with peers, stay abreast of industry developments and learn tips and tricks to make their business more efficient. This year's theme is "Excelling in an Age of Evolution."

### WHO:

[QuestaWeb, Inc.](#), a premier provider of integrated, web-native Global Trade Management (GTM) software solutions for customs brokers and freight forwarders.

### WHERE:

Booth #39  
Westin Mission Hills Golf Resort & Spa  
Rancho Mirage, CA

### WHEN:

April 29 – May 2, 2018

### FOR MEDIA INFORMATION:

Please contact Claire Kelly. She can be reached at 240-686-1000 or email her at [ckelly@dprgroup.com](mailto:ckelly@dprgroup.com). QuestaWeb representatives will be available for interviews before, during and after the conference.

### FOR ATTENDEES:

For more information and to register, please go to the NCBFAA website: <https://bit.ly/2IDx5fQ>.

### About QuestaWeb

QuestaWeb is a premier provider of integrated, web-native Global Trade Management (GTM) software solutions. The firm's business model unifies import, export, compliance logistics and financial processing including product classifications, country content, landed costs, denied party screening,

export licensing, product catalog, tracking, event management, U.S. Customs clearance and with an international document repository. The centralized global database maintains up-to-date compliance content and supports multiple languages, currencies and time zones. QuestaWeb was the first company certified for ACE by U.S. Customs and Border Protection. The company's flagship product, Global Trade Management System, proactively manages import and export processes for importers, exporters, brokers and forwarders. It accelerates the flow of goods across the global supply chain, reduces inventory and operational costs and ensures compliance with ever-changing cross-border regulations. To learn more about QuestaWeb, please visit [www.questaweb.com](http://www.questaweb.com) or call 908-233-2300.
