### About QuestaWeb

QuestaWeb is a premier provider of integrated, web-based global trade management software solutions. The firm's business model unifies import, export, logistics, compliance and financial

processes including U.S. Customs clearance, landed costs, Harmonized Tariff Schedule classifications, export licensing, denied party screening, quota management, product catalog, tracking, event management and international document repository. The centralized global database maintains up-to-date compliance content and supports multiple languages, currencies and time zones. QuestaWeb was one of the first companies certified by U.S. Customs for ABI electronic connectivity initiatives and the first ACE-certified vendor. The company's Global Trade Management System proactively manages export and import processes for importers, exporters, FTZ, brokers and forwarders. It accelerates the flow of goods across the global supply chain, reduces inventory and operational costs and ensures compliance with ever-changing cross-border regulations. To learn more about QuestaWeb, please visit [www.questaweb.com](http://www.questaweb.com) or call 908-233-2300.
